To Whom It May Concern:

This letter is my personal recommendation for Boaz B. Feldman. I have had the pleasure to work closely together with Boaz in Myanmar where I was the appointed Country Coordinator in 2014.

Boaz has worked with INTERSOS to assist the implementation and development of psychosocial support (PSS) projects in northern Myanmar. His unique PSS approach and methodology have been recognized by various national and international NGOs and UN agencies present in Myanmar as quite culturally appropriate and successful when dealing with communities affected by traumas.

Boaz assumed leadership role and conducted various PSS trainings for local staff inspiring and motivating the entire team. I found him to be consistently pleasant, tackling all assignments with dedication and a smile. Besides being a joy to work with, Boaz is a take-charge person who is able to present creative ideas and communicate the benefits.

I highly recommend Boaz as a consultant or for employment. He is a team player and would make a great asset to any organization.

Sincerely,

Claudia Giampietri,
Country Coordinator for Myanmar & Philippines
